Dear Anne —

Just a line to let you know that I'm somewhere in Australia and am in the best of health and spirits. You may not hear from me from time to time so don't worry too much. Here I go again, I need either a 1A5 or 1T5 radio tube preferably a 1T5 so try to send them or it to me if it is possible. Don't send me any wristwatches as I have been issued one. Cookies + food shall be greatly appreciated as long as they are not perishable.

See you soon  
 H/y
